

TRIO

Ecosystem

Onboarding

This document summarizes TRIO Onboarding User Experience.

Rationale:

TRIO is the Crypto, Identity and Payments Ecosystem for Businesses and “Banked” and “Unbanked” Consumers, free from Theft, Fraud, and Money Laundering, built upon Cloud-based Identity and Public Blockchain.

TRIO Value Proposition is unprecedented. It is therefore expected that the Onboarding of its customers will be different from their usual experience.

This is STEP 1 in TRIO Onboarding:

First Name	<input type="text"/>
Last Name	<input type="text"/>
Email Address	<input type="text"/>
Social Network Profile URL	<input type="text"/>
Mobile Phone Number (with Country Code)	<input type="text"/>
TRIO Business Identifier (optional)	<input type="text"/>

☐ I accept Terms and Conditions [View terms](#)

SUBMIT

<https://www.id-bound.com/support/eula> describes Terms and Conditions,

and <https://www.id-bound.com/support/privacy> describes TRIO Privacy Policy.

According to the TRIO Privacy Policy: “We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request or provide our Service or to comply with applicable laws.”

Email, Social Network URL and Mobile # - uniquely belong to the specific user.

Geolocation is used to assign users to different geographical regions of TRIO service.

It is only natural to comply with Anti-Money Laundering Laws – one must provide the necessary Identity information. In production – regular KYC will follow. On completion of Step 1 – the customer will receive the following email from service@id-bound.com , entitled:

TRIO Onboarding Step 2

Dear *****!

Thank you for completing Step 1 of TRIO Onboarding.

For your information:

Your TRIO username is: Sentrycs***

Your Registered Email: *****@gmail.com

For using your TRIO wallet for higher risk transactions, you must use the TRIO Ecosystem Authenticator.

To install TRIO Ecosystem Authenticator, please download this link for Android smartphones/tablets. Tablets with Wi-Fi will work as well.

<https://play.google.com/store/apps/details?id=com.idbound.triomobile>

After installing TRIO Ecosystem Authenticator:

To complete the installation- you are about to register your Android device:

To register

- Copy 12-digit OTID Number *****
- Paste the Number into the opened TRIO Ecosystem Authenticator App.
- Click on Proceed.

Please be aware that

After successful registration TRIO Onboarding Step 3 email will arrive at your Mailbox

and this Registration Link is no longer valid

If you have any questions, please get in touch with us at support@id-bound.com. To use our AI chatbox anytime, please visit <https://id-bound.com>.

We hope you will enjoy using our services.

If you have any question - please contact us at support

This information should be stored in a safe place for future reference / do not delete this email.

If you have any question - please contact us at <https://id-bound.com>

We hope you will enjoy using our services.

Explanation: The user is requested to install the TRIO Ecosystem Authenticator, since **high risk transactions** require real-time Identity authentication. Low-cost **Android smartphones/tablets are sufficient**.

You must allow TRIO Authenticator to access the device precise location to manage phone calls (this is Android way to manage your phone identity- we do not mess with your phone calls).

As the result the user will receive the following email from service@id-bound.com , entitled:

TRIO Onboarding Step 3:

Dear *****!

You have completed your TRIO Onboarding Step 2:

For your information:

Your PIN is: ****

Your TRIO username is: Sentrycs***

Your Registered Email: [*****@gmail.com](#)

You are registered on Device: *****
